TO WHOM IT MAY CONCERN

I am extremely pleased to certify that Bureau of Social Watch (BSW) is a Human Rights and development related organization regarding which activities I am fully aware of.

It may be specifically pointed out that since the days past Bureau of Social Watch has been involved in gearing up activities related to HIV/AIDS prevention, Drug Abuse prevention & Control, Water & Sanitation, Arsenic mitigation, Environment Development along with the preservation of human Rights of the neglected society. Moreover this organization has set a striking example by way of arranging staged theatre related to HIV/AIDS & Human Rights.

In future I wish wide extension of human serviceable activities of Bureau of Social Watch & its grand success to a great extent.
